# Embedding the RCASF Logo on your website
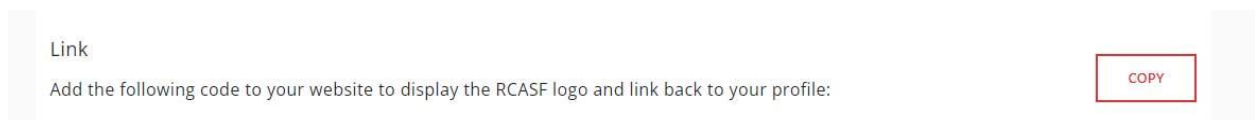

1.) First go to the RCASF website at https://rcasf.org/

2.) Click the Sign In link in the red bar of the navigation, on the right

3.) Sign In to your account. If you don't remember your password, click on the Forgot Password link below the login button, and fill out the form there.

4.) Once you are logged in, scroll down your dashboard, past the Link section at the end of the Profile Information Box, and click the red COPY button there, which will add the embed code to your clipboard.

5.) Paste that code into an email to your developers for them to add it to your website.
